Family Travel Packing Checklist

Start with your actual trip and bag. Print or fill in the spaces below.

01 Set the limits before you pack

Trip / travel dates

Bags / luggage allowance checked

Family-specific needs to add

02 Pack a small, familiar activity kit

☐ A familiar book

☐ One familiar seated activity

☐ Count loose pieces, lids and caps

☐ Try taking it out and repacking

03 Give grown-up essentials their own place

☐ Required travel documents checked

☐ Phone / charger / keys

☐ Usual care supplies for this family

☐ Clothing / weather needs reviewed

What our family still needs (check destination and carrier rules)

04 Do the leaving-home check

☐ Essentials easy to reach

☐ A place for used / return-trip items

A starting checklist, not a complete list for every family. Follow product age labels and current carrier rules. The driver must not manage children's activities while driving.
